PUBLIC SERVICE ANNOUNCEMENT

CITY OF ALAMOGORDO

City of Alamogordo

10th Street Construction Activities from Scenic Drive to Paiute Trail

Alamogordo, NM Monday, October 8, 2018 Due to construction activities, beginning on Monday, October 8, 2018 through mid-January 2019, the Eastbound and Westbound traffic lanes on Tenth Street will be provided access through a lane shift. The lane shift work zone will progress and follow the construction activities. As an alternative route, it is recommended that the residences south of Tenth Street access their homes via Abbott Avenue.

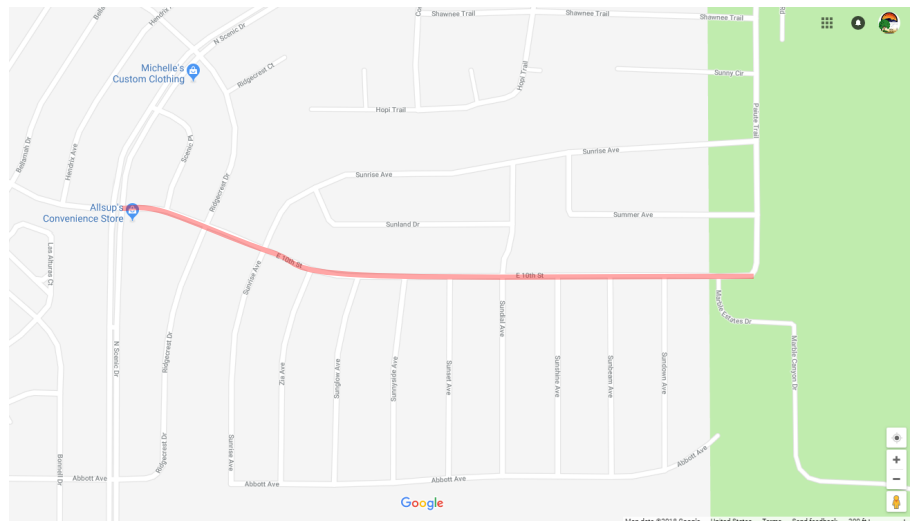

Motorists are advised of the temporary traffic control and reduced speed limits that will be in place during construction, and should use extreme caution in the project area. If possible, seek alternative routes. Businesses and residents in the project area will have access to their property during construction.

The City of Alamogordo appreciates your understanding during this construction. If you should have questions or experience any problems in connection with this project, or need further information, please contact Edward Balderrama, Project Manager, at the contact information below.
