PUBLIC SERVICE ANNOUNCEMENT

CITY OF ALAMOGORDO

City of Alamogordo Stage 1 Water Restrictions Lifted

Alamogordo, NM Friday, August 31, 2018 Due to increased moisture, along with the completion of the restoration on the 5 million gallon Green tank project and the resident's diligence in conserving water, staff recommended to the commission to lift Stage 1 watering restrictions. Restrictions have been lifted and residents should now return to the normal watering schedule set for May 1st through November 1st.

Outdoor Watering Schedule for May 1st through November 1st

By ordinance the normal watering schedule from May 1st through November 1st each year allows us to water as follows:

- **Odd** numbered addresses (street number ends in 1,3,5,7,9) may only water on **Sundays, Wednesdays, and Fridays.**
- **Even** numbered addresses (street number ends in 0,2,4,6,8) may only water on **Tuesdays, Thursdays and Saturdays.**
- All outdoor watering must take place **before 9 a.m. and after 6 p.m.**
This conserves water by reducing evaporation.
- Watering is **not permitted** on **Mondays.**

We appreciate our community's efforts to conserve water over the past few months and all that you do to conserve water all year long.
