Regular Mowing of the Monte Vista Cemetery Grass

Alamogordo, NM Friday, April 13, 2018 Please be aware that it is now the time of year where regular mowing will be taking place at the Monte Vista Cemetery. They will be mowing every Thursday, and picking up all flowers. Families are welcome to pick their flowers up Wednesday evening and put them back out Thursday evening. If flowers are not picked up before the mowing begins, they will be placed in the brick boxes on Thursday morning that are specifically designated for the flowers. Each section has a brick box just for the flowers to go into, but there are a few areas that only have a basket. Either way, it is assured that each section does have its own flower receptacle.

Also, there are signs that have been ordered that will have a phone number just in case the gates are locked in the future. Our office is open Monday through Friday 8 a.m.-5 p.m. The gates are opened around 7 a.m. and close around the time it gets dark outside. The sign at the front of the cemetery has the mowing schedule on it for future reference. Our mowing season begins in April and ends in November. Thank you for your cooperation.
