PUBLIC SERVICE ANNOUNCEMENT

CITY OF ALAMOGORDO

City of Alamogordo

Washington Avenue Road Closure

Alamogordo, NM Thursday, April 5, 2018 Utility Crews will be closing Washington Avenue in the late evening hours of Friday, April 6, 2018. The street will be closed starting at the intersection of Indian Wells Rd. and Washington Avenue, until East Dewey Ln. and Washington Avenue. This road closure will give utility crews the opportunity to excavate and repair a minor water leak that requires additional room than what is given by its geographic location. With the local traffic flow and capacity in mind, utility crews will begin the road closure at 10:00 p.m. and is expected to remain closed throughout the night and early morning hours of Saturday. However, we predict all work will be completed and Washington Avenue being re-opened for traffic on Saturday, April 7, 2018. During the time of the road closure, motorists are advised to seek alternative routes or, plan ahead for de-tours in their normal driving route(s). Access will remain open for those that reside in the section of road that is being blocked off. Thank you for your attention and cooperation while city crews tend to this issue.
