PUBLIC SERVICE ANNOUNCEMENT

CITY OF ALAMOGORDO

City of Alamogordo

New Lights Going up in Washington Park

Alamogordo, NM Friday, March 30, 2018 To increase safety and usability of areas of Washington park, crews have begun trenching around the Washington Park Skate Park to install new conduit and bases for light poles. The next step will be to start around the hockey rink. To limit the disruption to those who utilize the hockey rink, the contractor will not start trenching around the hockey rink or cutting the conduit until the new lights are onsite. Once they begin the replacement of the lights the contractor will work on one side of the rink at a time to ensure there will be lights available to those who use the rink. This project should be finished by the end of April as long as all the materials arrive in a timely fashion. Thank you for your understanding as we work to utilize funds allocated to projects in this fiscal year and improve the safety and usability of our City facilities.
