CITY OF ALAMOGORDO

PUBLIC SERVICE ANNOUNCEMENT

City of Alamogordo

Next Steps for the Sahara Apartments

Alamogordo, NM Thursday, March 15, 2018 The City of Alamogordo has received the signed Court Order from the 12th Judicial Court, Judge Blankenship, to dismiss the Sahara Apartment owner's case with prejudice, and the City is moving forward with next steps. Today, the City's Facility Maintenance team will un-board the entrances and give Terracon Consultants Inc. access to the buildings. Terracon will be accessing the structures and developing the fee schedule and scope of work for asbestos and lead paint sampling. The safety of the citizens of Alamogordo is paramount, and this first step will help in the planning for the abatement of asbestos and other hazards prior to the destruction of the building. The City is expecting to have a quote for sampling within the next week. Please know that the City will keep the public updated on the progress of the project and that this visit is just the first step in a multi-phase process to demolish the structures.
