Lane Closures on North Scenic Drive

Alamogordo, NM Thursday, December 6, 2018 Starting Monday, December 10, 2018, City crews will be closing the North bound lanes on the East Side of North Scenic Drive.

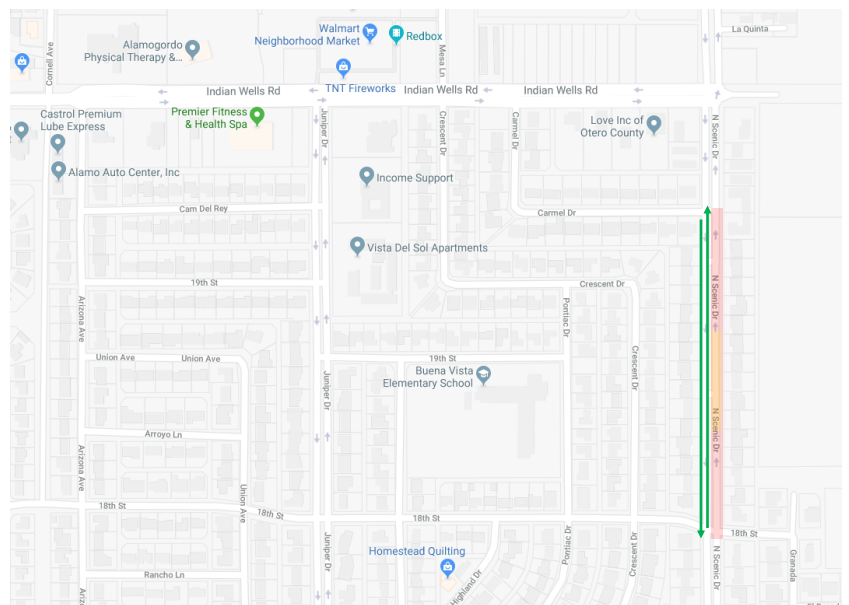

Lanes will be shut down from 18th Street to Carmel Drive, the West Side of N. Scenic will be a divided two lane road; North bound traffic will be moved over to the West lane of N. Scenic Dr., and South bound traffic will be moved over to the furthest West lane of the street.

City crews will be replacing 2 water service lines, backfilling 2 trenches, and re-surfacing. During the time of utility work, we ask all motorists to be extra cautious while going through the traffic control / work area, or seek an alternative route during this period. The lane closures are expected to last for approximately 3-4 days. With that said, unforeseen issues may arise, but please be aware city crews will be working hard to get the project completed as quickly as possible so normal traffic can resume. Thank you all for your patience and cooperation with City Utility Crews.
