Scheduled Water Outage

Alamogordo, NM Thursday, April 25, 2019 Utility crews will be replacing valves on a mainline in the Sun Streets this Friday, April 26th. To make this repair there will be a water outage scheduled for 8am to approximately 3pm. The area affected is highlighted in the image below and includes Sunset Avenue and Sundial Avenue between Abbott Avenue and 10th Street. Homes in the surrounding areas, might also be effected.

This general maintenance will allow for better isolation during future maintenance or emergency outages and will help to effect less homes.

City crews will work as quickly and safely as possible to restore water to the affected areas so that normal water usage may resume. We thank everyone for your patience and cooperation during this time.
