PUBLIC SERVICE ANNOUNCEMENT

CITY OF ALAMOGORDO

City of Alamogordo

Scheduled Water Outage

Alamogordo, NM Friday, January 10, 2020

Please be aware that there will be a water outage scheduled for Tuesday, January 14, 2020. Utility Maintenance will be installing two new valves in the area of Bellamah Drive and Juniper Drive from 1:30 pm to 6:30 pm. Due to the location of the installation, work will start later in the day to avoid cancelling school. One of the valves being installed will help to limit the impact of future water outages on Desert Hills Elementary; including the lowering of the waterline at the Bellamah bridge, happening in the near future. The other valve installation will help to isolate the water coming into the ditch. Please see the following map indicating the affected areas. Crew members will work as quickly and safely as possible to restore water flow. Thank you for your patience and cooperation as we work to improve water infrastructure.
