Folder # 166 a, b.: The Southwesterner: SADDLEBAG PRESS, 1963, donated by Mr. Charles A. Wynne.

Librarians note:

Eugene Manlove Rhodes was a unique and significant voice in western literature. Some might not expect a rancher and cowboy to be a well-read scholar and versatile author but Rhodes was all of those things. The Alamogordo Library is also more than it appears to be. The library hosts many events such as Indie Author day, poetry slam competitions, writer's workshops and book discussions. The Alamogordo Public Library works hard to provide resources that foster art and creativity to keep the literary tradition of Eugene Manlove Rhodes alive.
